

Restore Life Summer Internship

Thank you for your interest in our summer internship program! Restore Life is a non-profit organization in the Grove Park neighborhood of west Atlanta. We live, work, and play in our beautiful neighborhood, and serve alongside some of the most vulnerable families in Atlanta.

What to Expect from this Internship

1. *Experience in the Urban Setting*

Are you interested in inner-city ministry? Do you have a heart for marginalized neighborhoods?

We want to invite you to live and work in our amazing Grove Park neighborhood for eight weeks this summer. You will be living in the community, eating in the community, and best of all, forming friendships with the amazing neighbors in our community.

2. *Operation: End the Boredom*

That's the name of our 8-week long summer camp! We will be hosting eight straight weeks of fun summer camps for fifty of the coolest kids in town. From overnight trips in south Georgia to local service projects, it will be a summer packed full of excitement and adventure.

3. *Worldview Shift*

On weekends, we will host training opportunities and field trips that will encourage and equip you to do ministry in ways that are both effective and dignifying for everyone involved. We will also visit some of Atlanta's notable landmarks, such as: The Center for Civil and Human Rights, Martin Luther King, Jr's Birth Home, and maybe a Braves game!
